

the information contained in, Exhibit F within three Business Days after the failure to meet any of said conditions.

(d) If the Series 2002-C Warrants commence to bear interest at the Fixed Rate as provided in this Section 4.2, the interest rate on such Series 2002-C Warrants may not thereafter be changed to an Adjustable Rate.

Section 4.3 Conversion Generally. (a) In the event of a Change in the Interest Rate Mode on less than all the Series 2002-C Warrants to or from an Auction Rate, the minimum aggregate principal amount of Series 2002-C Warrants that continue to bear, or are adjusted to bear, interest at an Auction Rate for an Auction Rate Period, shall not be less than \$10,000,000.

(b) Upon any Change in the Interest Rate Mode or upon any change to a new Calculation Period or Periods during a Commercial Paper Rate Period, the Remarketing Agent and the Trustee shall take all steps necessary to comply with any agreement entered into with a Securities Depository or its nominee with respect to such Change in the Interest Rate Mode or such change to a new Calculation Period or Periods during a Commercial Paper Rate Period, including, without limitation, the purchase (at the expense of the County) and designation of sufficient CUSIP numbers to comply with the requirements of such Securities Depository following any such Change in the Interest Rate Mode or such change to a new Calculation Period or Periods during a Commercial Paper Rate Period.

(c) If the interest rate on less than all Series 2002-C Warrants of a particular subseries is to be converted to a new Adjustable Rate pursuant to Section 4.1 or to a Fixed Rate pursuant to Section 4.2, the particular Series 2002-C Warrants of such subseries to be converted shall be chosen by the Trustee, or the Trustee shall direct the Tender Agent to so choose, in such manner as the Trustee or Tender Agent in its discretion may deem proper; provided, however, that the portion of any Series 2002-C Warrant to be converted shall be in an Authorized Denomination for the Interest Rate Mode to which such Series 2002-C Warrant is being converted (and the portion of any such Series 2002-C Warrants that is not being converted shall be in an Authorized Denomination for the Interest Rate Mode then applicable thereto). If it is determined that a portion, but not all, of any Series 2002-C Warrant is to be converted, then upon notice of such conversion pursuant to the Indenture, the Holders of such Series 2002-C Warrants shall forthwith surrender such Series 2002-C Warrants to the Tender Agent for (1) payment of the purchase price (including the premium, if any, and accrued and unpaid interest to the date fixed for conversion) of the portions thereof chosen for conversion and (2) exchange for a new Series 2002-C Warrant or Warrants in the aggregate principal amount of the balance of the principal of such Series 2002-C Warrants not subject to conversion. If the Holder of any such Series 2002-C Warrant shall fail to present such Series 2002-C Warrant to the Tender Agent, for payment and exchange as aforesaid, such Series 2002-C Warrant shall, nevertheless, become due and payable on the date fixed for conversion to the extent of the portion thereof chosen for such conversion (and to that extent only).

ARTICLE V

REDEMPTION AND PURCHASE OF SERIES 2002-C WARRANTS

Section 5.1 Redemption.

Optional Redemption. The Series 2002-C Warrants shall be subject to redemption, in whole or in part, at the option of the County, upon its written request delivered to the Trustee not less than forty-five (45) days (thirty (30) days for Series 2002-C Warrants bearing interest at an Adjustable Rate) prior to the date selected for redemption, from the proceeds of a draw on or payment under a Support Facility (if available for such purpose), and any other money held by the Trustee and available to be applied to the redemption of Series 2002-C Warrants as provided in this Section 5.1:

(a) For any Commercial Paper Rate Period, such Series 2002-C Warrants shall be subject to redemption (i) on each Interest Payment Date for such Commercial Paper Rate Period, as a whole or in part, at the principal amount thereof, and (ii) on any Business Day, as a whole or in part, at the principal amount thereof plus accrued interest, if any, to the date fixed for redemption.

(b) For any Auction Rate Period, such Series 2002-C Warrants shall be subject to redemption on the Business Day immediately preceding each Auction Date, as a whole or in part, at the principal amount thereof plus accrued interest, if any, to the date fixed for redemption.

(c) For any Daily Rate Period, such Series 2002-C Warrants shall be subject to redemption on any Business Day, as a whole or in part, at the principal amount thereof, plus accrued interest, if any, to the date fixed for redemption.

(d) For any Weekly Rate Period, such Series 2002-C Warrants shall be subject to redemption on any Business Day, as a whole or in part, at the principal amount thereof, plus accrued interest, if any, to the date fixed for redemption.

(e) For any Term Rate Period and after the Fixed Rate Conversion Date, such Series 2002-C Warrants shall be subject to redemption in whole on any Business Day or in part on any Interest Payment Date after the period shown in the column entitled "No Call Period" shown below (the "No Call Period"), which shall begin on the first day of the Calculation Period applicable to such Series 2002-C Warrants or on the Fixed Rate Conversion Date, as the case may be. The redemption price shall be equal to the principal amount thereof, plus the applicable premium, if any, determined as hereinafter provided, plus accrued interest, if any, to the date fixed for redemption. Such premium shall be equal, initially, to the percentage of the principal amount to be redeemed shown in the Initial Premium column. The premium

percentage shall decline by the percentage shown in the Reduction in Premium column on each anniversary of the date on which such Series 2002-C Warrants are first redeemable, if the Calculation Period or period remaining to Stated Maturity after the Fixed Rate Conversion Date is equal to or greater than five years, and on each Interest Payment Date if the Calculation Period or period remaining to Stated Maturity after the Fixed Rate Conversion Date is less than five years, until the Series 2002-C Warrants shall be redeemable without premium.

Calculation Period or Period to Maturity

<u>Equal to or Greater Than</u>	<u>But Less Than</u>	<u>No Call Period</u>	<u>Initial Premium</u>	<u>Reduction in Premium</u>
18 Years	N/A	10 Years	2%	1%

4 Years	5 Years	3 Years	½	½
3 Years	4 Years	2 Years	½	½
0 Years	3 Years	Not Callable		

If upon establishment of a Term Rate Period, or on the Fixed Rate Conversion Date, as the case may be, the Remarketing Agent certifies to the Trustee, Bond Counsel and the County in writing that the foregoing schedule is not consistent with then-prevailing market conditions, the County may revise the foregoing Initial Premiums, Reductions in Premium and No-Call Periods without the approval of the Holders to reflect then-prevailing market conditions, upon receipt of an Opinion of Bond Counsel to the effect that any revisions pursuant to this paragraph, either by themselves or in conjunction with the establishment of a Calculation Period or the Fixed Rate, as the case may be, are made in accordance with this Sixth Supplemental Indenture, are permitted under the Act and will not adversely affect the exclusion of interest on the Series 2002-C Warrants from gross income for federal income tax purposes.

Scheduled Mandatory Redemption. The Series 2002-C Warrants shall be redeemed at a redemption price equal to 100% of the principal amount to be redeemed plus accrued interest thereon to the redemption date, on February 1 (or, in the case of Auction Rate Warrants, if any such February 1 is not an Interest Payment Date, then on the first Interest Payment Date subsequent thereto) in years and principal amounts (after credit as provided below) as follows:

2022	33,200,000	2039	2,950,000
2023	32,100,000		

\$70,350,000 of the Series 2002-C Warrants
will be retired at Maturity

Not less than 60 days prior to each such scheduled mandatory redemption date, the County may specify the particular subseries from which Series 2002-C Warrants are to be called for such redemption and (if more than one subseries is so specified) the respective principal amounts to be called for redemption from each thereof. In any such case, the particular Series 2002-C Warrants (or portions thereof) within a given subseries to be called for redemption shall be selected by the Trustee by lot. If the County fails to make such a specification with respect to any scheduled mandatory redemption date, not less than 45 or more than 60 days prior to each such scheduled mandatory redemption date, the Trustee shall proceed to select for redemption, as provided in Section 5.6 hereof, Series 2002-C Warrants or portions thereof in an aggregate principal amount equal to the amount required to be redeemed and shall call such Series 2002-C Warrants or portions thereof for redemption on such scheduled mandatory redemption date. In any event the County may, upon direction delivered to the Trustee not less than 60 days prior to such scheduled mandatory redemption date, direct that any or all of the following amounts be credited against the principal amount of Series 2002-C Warrants scheduled for redemption on such date: (i) the principal amount of Series 2002-C Warrants delivered by the County to the Trustee for cancellation and not previously claimed as a credit; and (ii) the principal amount

of Series 2002-C Warrants previously redeemed (other than Series 2002-C Warrants redeemed pursuant to this paragraph) and not previously claimed as a credit.

Series 2002-C Warrants shall be redeemed in accordance with the foregoing mandatory redemption provisions without any requirement of consent by the County.

Section 5.2 Tender for and Purchase upon Election of Holder. (a) During any Daily Rate Period or Weekly Rate Period, any Series 2002-C Warrant or portion thereof (other than a Bank Warrant) in a principal amount equal to an Authorized Denomination (so long as the principal amount not purchased is an Authorized Denomination) shall be purchased on the demand of the Holder thereof on any Business Day at a price equal to the principal amount thereof plus accrued interest, if any, to (but not including) the date of purchase, upon delivery to the Tender Agent and the Remarketing Agent at their respective principal offices, by the close of business on any Business Day of a Notice of Election to Tender in substantially the form attached hereto as, or containing substantially the information contained in, Exhibit G; provided, however, that the substance of such Notice of Election to Tender must also be given telephonically to the Remarketing Agent prior to or simultaneously with delivery of such written Notice of Election to Tender to the Remarketing Agent. The date on which such Series 2002-C Warrant shall be purchased shall, at the request of the Holder thereof, (i) if the Series 2002-C Warrant then bears interest at a Daily Rate, be the date of delivery of such Notice of Election to Tender if such Notice of Election to Tender is delivered to the Tender Agent and the Remarketing Agent by 11:00 a.m. (New York City time) on such date or may be any Business Day thereafter, and (ii) if the Series 2002-C Warrant then bears interest at a Weekly Rate, shall be a Business Day not prior to the 7th day next succeeding the date of the delivery of such Notice of Election to Tender to the Tender Agent and the Remarketing Agent.

(b) Immediately upon receipt of a Notice of Election to Tender delivered pursuant to the provisions of this Section 5.2, the Tender Agent shall notify, or cause to be notified, the Trustee, the Remarketing Agent and, upon request, the County, by telephone, promptly confirmed in writing, of such receipt, specifying the contents thereof.

(c) Any Notice of Election to Tender shall be irrevocable.

(d) The right of a Holder to tender a Series 2002-C Warrant to the Tender Agent pursuant to this Section 5.2 shall terminate after conversion of the Interest Rate Mode to a Commercial Paper Rate, an Auction Rate, a Term Rate or a Fixed Rate with respect to such Series 2002-C Warrant. Furthermore, any Series 2002-C Warrant tendered for purchase pursuant to the terms of Section 5.2 after the date notice of redemption or mandatory tender is given shall not be remarketed except to a purchaser who agrees at the time of such purchase to tender such Series 2002-C Warrant for redemption or purchase on the applicable redemption or mandatory tender date.

Section 5.3 Mandatory Tender for Purchase upon Change in the Interest Rate Mode and on a Business Day Following Certain Calculations. (a) Upon a Change in the Interest Rate Mode (including any change to the Fixed Rate on the Fixed Rate Conversion Date), the Series

2002-C Warrants bearing an Auction Rate, a Daily Rate, a Weekly Rate, a Term Rate or a Commercial Paper Rate shall be subject to mandatory tender for purchase in accordance with the terms hereof, on the effective date of such Change in the Interest Rate Mode at a price equal to the principal amount thereof.

(b) For any Term Rate Period or Commercial Paper Rate Period, the Series 2002-C Warrants shall be subject to mandatory tender for purchase in accordance with the terms hereof on the Business Day immediately following each Calculation Period, at a price equal to the principal amount thereof.

(c) Notice of mandatory tender for purchase upon a Change in the Interest Rate Mode to an Adjustable Rate shall be in substantially the form attached hereto as, or contain substantially the information contained in, the applicable form of Exhibit A. Notice of mandatory tender for purchase upon a Change in the Interest Rate Mode to the Fixed Rate shall be in substantially the form attached hereto as, or contain substantially the information contained in, Exhibit D.

(d) Any such notice of mandatory tender for purchase required by this Section 5.3 shall be given by the Trustee in the name of the County, or the Trustee shall cause the Tender Agent to give such notice in the name of the County (with copies thereof to be given to the Remarketing Agent, the County, the Tender Agent and, in the case of Auction Rate Warrants, the Auction Agent), by first-class mail to the Holders of the Series 2002-C Warrants subject to purchase at their addresses shown on the books of registry.

(e) Bank Warrants are not subject to mandatory tender for purchase pursuant to this Section 5.3.

(f) In the event the conditions to a change in the Interest Rate Mode set forth in Sections 4.1 or 4.2 are not met prior to the applicable mandatory tender date, such mandatory tender shall not take place with respect to the Series 2002-C Warrants for which notice of mandatory tender has been given, and such Series 2002-C Warrants will continue to bear interest as set forth in the last paragraph of Section 4.1(c) or in Section 4.2(c)(iii), as applicable. The Trustee shall send notice in the form of Exhibits C or F, as applicable to the Holders of such Series 2002-C Warrants.

Section 5.4 Mandatory Tender for Purchase Upon Expiration, Termination, Substitution or Amendment of any Liquidity Facility. (a) Except as otherwise set forth in the last sentence of this subsection (a), the Series 2002-C Warrants shall be subject to mandatory tender for purchase at a price equal to the principal amount thereof, (i) on the second Business Day immediately preceding the substitution of an Alternate Liquidity Facility for an existing Liquidity Facility or the effective date of a Liquidity Facility Amendment which results in either case in a reduction or withdrawal of the short-term or long-term rating assigned to such Series 2002-C Warrants, as further described in Section 6.2(b), (ii) on the first anniversary of the initial failure by the Liquidity Provider to maintain its short-term ratings (unless sooner restored) as specified in Section 6.2(c), and (iii) on the second Business Day immediately preceding the date of expiration or termination of any Liquidity

Facility (other than a termination that results from an event that permits termination of such Liquidity Facility without notice), unless on or prior to the 45th day prior to such date of expiration or termination or the effective date of such Liquidity Facility Amendment or such first anniversary of the initial failure of the Liquidity Provider to maintain its short-term ratings the County has furnished to the Trustee (a) an agreement by the Liquidity Provider to extend such Liquidity Facility in the case of an expiration, or (b) an Alternate Liquidity Facility in replacement of the expiring, terminating or amended Liquidity Facility or the Liquidity Facility whose Liquidity Provider has so failed to maintain its short-term ratings together with the confirmation of ratings referred to in Section 6.2(a). No tender for purchase of any Series 2002-C Warrants shall be required pursuant to this Section 5.4 if the Fixed Rate Conversion Date shall have occurred on a date prior to such date of expiration, termination, substitution or the effective date of a Liquidity Facility Amendment.

(b) Notice of the mandatory tender for purchase pursuant to this Section 5.4 shall be given on or prior to the 30th day (or, in the case of any termination, such lesser number of days as may be practicable under the terms of the Liquidity Facility then in effect) before the expiration, termination, substitution or amendment date or the 30th day prior to the date of the first anniversary referred to in clause (ii) of subsection (a) of this Section 5.4 by the Trustee in the name of the County (with copies thereof given to the County, the Remarketing Agent, each issuer of a Support Facility and the Tender Agent) by first-class mail to the Holders of the Series 2002-C Warrants subject to mandatory tender for purchase at their addresses shown on the books of registry. Such notice shall be in substantially the form attached hereto as, or contain substantially the information contained in, Exhibit H. Such notice may also state, if applicable, that such mandatory tender will not occur if the Trustee receives, on or before the date that is five (5) days preceding the mandatory tender date, an Alternate Liquidity Facility in replacement of the expiring, terminating or amended Liquidity Facility or of the Liquidity Facility whose Liquidity Provider failed to maintain the ratings required hereby, together with the confirmation of ratings referred to in Section 6.2(a).

(c) Bank Warrants or Series 2002-C Warrants held by or for the account of the County are not subject to mandatory tender for purchase pursuant to this Section 5.4.

Section 5.5 General Provisions Applicable to Mandatory and Optional Tenders for Purchase of Series 2002-C Warrants. (a) If interest has been paid on the Series 2002-C Warrants, or an amount sufficient to pay interest thereon has been deposited in the Debt Service Fund, or an amount sufficient to pay accrued interest thereon, if any, has been set aside in the Warrant Purchase Fund, and the purchase price equal to the principal of, and premium, if any, on the Series 2002-C Warrants shall be available in the Warrant Purchase Fund for payment of Series 2002-C Warrants subject to tender for purchase pursuant to Section 5.2, 5.3 or 5.4, and if any Holder fails to deliver or does not properly deliver the Series 2002-C Warrants to the Tender Agent for which a Notice of Election to Tender has been properly filed or which are subject to mandatory tender for purchase on the purchase date therefor, such Series 2002-C Warrants shall nevertheless be deemed tendered and purchased on the date established for the purchase thereof, interest on such Series 2002-C Warrants shall cease to be payable to the former Holders thereof from and after the date of purchase and such former Holders shall have no rights hereunder as the registered owners of such Series 2002-C

Warrants, except the right to receive the purchase price of and interest to the purchase date, if any, on such Series 2002-C Warrants upon delivery thereof to the Tender Agent in accordance with the provisions hereof.

The purchaser of any Series 2002-C Warrants remarketed by the Remarketing Agent shall be the registered owner of such Series 2002-C Warrants; or, if the Series 2002-C Warrants are registered in the name of the Securities Depository or its nominee, any such purchaser shall be the beneficial owner of such Series 2002-C Warrants. To the extent Series 2002-C Warrants are purchased with the proceeds of a payment under a Liquidity Facility, the issuer of such Liquidity Facility shall be treated as the owner of such Series 2002-C Warrants. While Series 2002-C Warrants are held by or for the benefit of a Liquidity Provider, the Trustee shall not effect payment under such Liquidity Facility to pay principal, interest or premium on such Series 2002-C Warrants.

The payment of Series 2002-C Warrants pursuant to Section 5.2, 5.3 or 5.4 shall be subject to delivery of such Series 2002-C Warrants duly endorsed in blank for transfer or accompanied by an instrument of transfer thereof in form satisfactory to the Tender Agent executed in blank for transfer at the principal office of the Tender Agent at or prior to 10:00 a.m. (11:30 a.m. for Series 2002-C Warrants bearing interest at a Weekly Rate and 12:00 noon for Series 2002-C Warrants bearing interest at a Daily Rate and being purchased pursuant to Section 5.2) (New York City time), on a specified purchase date. The Tender Agent may refuse to make payment with respect to any Series 2002-C Warrants tendered for purchase pursuant to Section 5.2, 5.3 or 5.4 not endorsed in blank or for which an instrument of transfer satisfactory to the Tender Agent has not been provided.

(b) The purchase price of Series 2002-C Warrants subject to tender for purchase pursuant to Section 5.2, 5.3 or 5.4 in an aggregate principal amount of at least one million dollars (\$1,000,000) shall be payable in immediately available funds or by wire transfer upon written notice from the Holder thereof containing the wire transfer address (which shall be in the continental United States) to which such Holder wishes to have such wire directed, if such written notice is received by the Tender Agent not less than five Business Days prior to the related purchase date.

(c) To the extent that a Liquidity Facility is required to be in effect, Series 2002-C Warrants tendered for purchase may not be purchased by the County from the Remarketing Agent upon a remarketing of Series 2002-C Warrants pursuant to the Remarketing Agreement.

(d) If a Liquidity Facility is in effect with respect to any Series 2002-C Warrants, the Trustee shall, in accordance with the provisions of this Section 5.5, request a payment under the Liquidity Facility in accordance with its terms to enable the Trustee to effect a deposit of the proceeds of the Liquidity Facility into the Warrant Purchase Fund in an amount necessary to effect full and timely payment of the Purchase Price of all Series 2002-C Warrants for which such Liquidity Facility is in effect and for which remarketing proceeds are not available. The Remarketing Agent shall notify the Tender Agent and the Trustee, at or prior to 11:00 a.m. (New York City time) on a specified purchase date, of the amount of the proceeds of the related remarketing, and shall specify whether remarketing proceeds (excluding any such proceeds from the County) equal to the full amount of the

Purchase Price payable on such purchase date will be available on such purchase date for the payment of such Purchase Price, and, if the amount of such remarketing proceeds that will be available on such purchase date for the payment of such Purchase Price shall not be equal to the full amount of the Purchase Price payable on such purchase date, such notice shall specify the amount of the deficiency. By 11:15 a.m. (New York City time) on such purchase date, the Remarketing Agent shall pay to the Tender Agent, for deposit in the Warrant Purchase Fund, an aggregate amount of such remarketing proceeds equal to the amount stated in such notice to be available on such purchase date for the payment of such Purchase Price. If the Remarketing Agent fails to provide such notice to the Tender Agent and Trustee prior to 11:00 a.m. (New York City time), or fails to make such payment to the Tender Agent prior to 11:15 a.m. (New York City time), the Trustee shall be required to request a draw or payment under the Liquidity Facility for the difference between the amount received from the Remarketing Agent and the Purchase Price of Series 2002-C Warrants to be purchased.

Section 5.6 Selection of Series 2002-C Warrants to be Redeemed. A redemption of Series 2002-C Warrants shall be a redemption of the whole or of any part of the Series 2002-C Warrants from any funds available for that purpose in a principal amount equal to an Authorized Denomination (so long as the principal amount not redeemed is an Authorized Denomination). If less than all Series 2002-C Warrants shall be redeemed, the particular Series 2002-C Warrants to be redeemed shall be chosen by the Trustee, or the Trustee shall direct the Tender Agent to so choose, as hereinafter provided. If less than all the Series 2002-C Warrants shall be called for redemption under any provision of this Sixth Supplemental Indenture permitting such partial redemption, the particular Series 2002-C Warrants or portions of Series 2002-C Warrants to be redeemed shall be selected (a) first, from Bank Warrants, (b) second, from Series 2002-C Warrants for which the Tender Agent has received, prior to such selection, a Notice of Election to Tender requiring the Tender Agent to purchase such Series 2002-C Warrants on the date on which the Series 2002-C Warrants being selected are to be redeemed and (c) third, from all other Series 2002-C Warrants then Outstanding, by lot or pro rata by the Trustee or, upon direction of the Trustee, the Tender Agent, in such manner as the Trustee or Tender Agent in its discretion may deem proper; provided, however, that (i) the portion of the principal amount of any Series 2002-C Warrant to be outstanding shall be in a principal amount equal to an Authorized Denomination for the type of interest rate to be borne by the Series 2002-C Warrants, and (ii) in selecting Series 2002-C Warrants for redemption, the Trustee or Tender Agent may treat each Series 2002-C Warrant as representing the number of Series 2002-C Warrants obtained by dividing the principal amount of such Series 2002-C Warrant into units based on the Authorized Denominations for the type of interest rate then borne by the Series 2002-C Warrants and the type of interest rate to be borne by the Series 2002-C Warrants following such redemption, in such manner as the Trustee or Tender Agent in its discretion may deem proper. If it is determined that part, but not all, of the principal amount of any Series 2002-C Warrant is to be redeemed, then upon notice of redemption of such part, the holder of such Series 2002-C Warrant shall forthwith surrender such Series 2002-C Warrant to the Trustee for (i) payment of the redemption price (including the premium, if any, and accrued and unpaid interest, if any, to the date fixed for redemption) of such part so called for redemption and (ii) exchange for a new Series 2002-C Warrant or Warrants in aggregate principal amount equal to the aggregate principal amount of the balance of the principal of such Series 2002-C Warrant not subject to redemption. If the holder of any such

Series 2002-C Warrant of a denomination greater than the applicable minimum Authorized Denomination for the type of interest rate then borne by the Series 2002-C Warrants shall fail to present such Series 2002-C Warrant, such Series 2002-C Warrant shall, nevertheless, become due and payable on the date fixed for redemption to the extent of the portion thereof subject to such redemption (and to that extent only). Notwithstanding the foregoing, so long as the Series 2002-C Warrants are maintained in book-entry form, selection of Series 2002-C Warrants for redemption shall be made by the Securities Depository in accordance with the procedures established by the Securities Depository.

Section 5.7 Notice of Redemption. (a) Except as otherwise provided in this Sixth Supplemental Indenture, notice of redemption shall be given by mailing a copy of the redemption notice by first-class mail at least 30 days (15 days for Series 2002-C Warrants bearing interest at an Adjustable Rate) prior to the date fixed for redemption to the Auction Agent during the Auction Rate Period and to the Holders of the Series 2002-C Warrants to be redeemed at the addresses shown on the registration books maintained by the Trustee.

(b) The Trustee shall not be required to transfer or exchange Series 2002-C Warrants during any period beginning at the opening of business 15 days before the day of mailing of a notice of redemption and ending at the close of business on the day fixed for redemption; provided, however, that the foregoing shall not apply during a Daily Rate Period, a Weekly Rate Period, a Commercial Paper Rate Period or an Auction Rate Period.

(c) Each notice of redemption shall state: (i) the full title of the Series 2002-C Warrants to be redeemed, the redemption date, the place of redemption and the redemption price payable upon such redemption; (ii) that the interest on the Series 2002-C Warrants, or on the principal amount thereof to be redeemed, shall cease to accrue from and after such redemption date and (iii) that on said date there will become due and payable on the Series 2002-C Warrants the principal amount thereof to be redeemed and the interest accrued on such principal amount to the redemption date, if any, and the premium, if any, thereon. Each notice of redemption mailed to a Holder of the Series 2002-C Warrants shall, if less than the entire principal amount thereof is to be redeemed, also state the principal amount thereof and the distinctive numbers of the Series 2002-C Warrants to be redeemed and that such Series 2002-C Warrants must be surrendered to the Trustee in exchange for the payment of the principal amount thereof to be redeemed, premium, if any, and accrued interest, if any, and the issuance of a new Series 2002-C Warrant equaling in principal amount that portion of the principal amount not to be redeemed of the Series 2002-C Warrants to be surrendered. The failure to give notice to any Holder of a Series 2002-C Warrant or any defects in such notice shall not affect the proceedings for the redemption of the Series 2002-C Warrants for which notice has been given.

In the event notice of redemption is given by the Trustee with respect to Auction Rate Warrants, the Trustee shall include in such notice of redemption delivered to the Securities Depository an instruction to the Securities Depository prepared by the County to (x) determine on the Publication Date (which shall be the date that is three Business Days after the Auction Date next preceding such

redemption date) the Securities Depository participants whose Securities Depository positions will be redeemed and the principal amount of such Auction Rate Warrants to be redeemed from each such position (the "Securities Depository Redemption Information") and (y) notify the Auction Agent immediately after such determination of the positions of the Securities Depository participants in such Auction Rate Warrants immediately prior to such Auction settlement, the position of the Securities Depository participants in such Auction Rate Warrants immediately following such Auction settlement, and the Securities Depository Redemption Information.

(d) If at any time of mailing of notice of an optional redemption there shall not have been deposited with the Trustee moneys sufficient to redeem all the Series 2002-C Warrants called for redemption, such notice shall state that it is conditional, that is, subject to the deposit of moneys sufficient for the redemption with the Trustee on or prior the redemption date, and such notice shall be of no effect unless such moneys are so deposited.

Section 5.8 Effect of Redemption. If the Series 2002-C Warrants have been duly called for redemption and notice of the redemption thereof has been duly given or provided for as hereinbefore provided and if money for the payment of the Series 2002-C Warrants (or of the principal amount thereof to be redeemed) and the interest to the redemption date on the Series 2002-C Warrants (or on the principal amount thereof to be redeemed), if any, and the premium, if any, thereon are held for the purpose of such payment by the Trustee, then the Series 2002-C Warrants (or the principal amount thereof to be redeemed) shall on the redemption date designated in such notice, become due and payable and interest on the Series 2002-C Warrants (or the principal amount thereof to be redeemed) so called for redemption shall cease to accrue from the redemption date and the Holder thereof shall thereafter have no rights hereunder as the Holder of such Series 2002-C Warrants (or the principal amount thereof to be redeemed) except to receive the principal amount thereof, premium, if any, thereon and interest, if any, to the redemption date.

Section 5.9 Cancellation of Redeemed Warrants. Any Series 2002-C Warrants surrendered or redeemed pursuant to the provisions of this Article V shall be cancelled by the Trustee.

Section 5.10 Series 2002-C Warrants Purchased by Liquidity Provider. Series 2002-C Warrants subject to purchase pursuant to Sections 5.2, 5.3 and 5.4 shall be deemed purchased by the Liquidity Provider in a principal amount equal to the amount of a draw on, or borrowing or payment under, the Liquidity Facility for the payment of Series 2002-C Warrants subject to purchase, upon the deposit with the Trustee or the Tender Agent, as applicable, of the proceeds of such draw on, or borrowing or payment under, the Liquidity Facility in an amount sufficient to pay the purchase price of such Series 2002-C Warrants equal to the principal amount of such Series 2002-C Warrants plus accrued and unpaid interest thereon, if any, to the date of purchase, and such Series 2002-C Warrants shall not be deemed paid and shall remain Outstanding hereunder as Bank Warrants until the Liquidity Provider has been reimbursed for such draws on, or borrowings or payments under, the Liquidity Facility to pay such purchase price. Any Series 2002-C Warrants purchased by the Liquidity Provider other than a municipal bond or financial guarantee insurance company shall become Bank Warrants, shall bear interest at the Bank Warrant Interest Rate and shall be subject to the terms and provisions

of, and have all rights with respect to Bank Warrants under the applicable Liquidity Facility. Unless the Liquidity Provider shall otherwise direct, any Series 2002-C Warrants purchased by the Liquidity Provider shall be immediately registered in the name of the Liquidity Provider as a Holder (unless held through a Securities Depository, in which case the Series 2002-C Warrants shall be transferred in accordance with the procedures established by the Securities Depository) and the Liquidity Provider shall have all rights of a Holder of Series 2002-C Warrants except that such Series 2002-C Warrants purchased by a Liquidity Provider other than a municipal bond or financial guarantee insurance company will bear interest at the Bank Rate. Pending the delivery of any such Series 2002-C Warrants to, or pursuant to the instructions of, the related purchasing Liquidity Provider, such Series 2002-C Warrants shall be held in trust by the Tender Agent. Under no circumstances shall any such Series 2002-C Warrants be released by the Tender Agent to any Person other than the purchasing Liquidity Provider unless such provider has delivered to the Tender Agent written instructions to do so, which instructions shall specify that the Liquidity Facility in question has been reinstated in an amount corresponding to the Series 2002-C Warrant in question. In no event shall money be drawn under a Liquidity Facility to provide for the purchase of Bank Warrants or warrants owned by the County.

ARTICLE VI

SUPPORT FACILITIES

Section 6.1 Support Facilities – General. The County hereby agrees to maintain a Liquidity Facility meeting the requirements of this Sixth Supplemental Indenture with respect to the Series 2002-C Warrants at all times except during any Auction Rate Period, Term Rate Period or Fixed Rate Period. A Liquidity Facility meeting the criteria set forth in this Sixth Supplemental Indenture may be provided during a Term Rate Period, at the option of the County. Each time the County obtains a Liquidity Facility with respect to Series 2002-C Warrants, the County shall submit such Liquidity Facility to Moody's, if the Series 2002-C Warrants are then rated by Moody's, and to S&P, if the Series 2002-C Warrants are then rated by S&P, and to another rating agency, if the Series 2002-C Warrants are then rated by such rating agency for the purposes of obtaining a rating on such Series 2002-C Warrants. The Trustee shall be furnished with any Liquidity Facility obtained pursuant to this Section 6.1 together with evidence of any rating or ratings obtained on the Series 2002-C Warrants in connection therewith.

Section 6.2 Liquidity Facility. (a) At any time that Series 2002-C Warrants bear interest at an Adjustable Rate (other than an Auction Rate or a Term Rate), the County shall, and at any time that Series 2002-C Warrants bear interest at a Term Rate, the County may, provide for the delivery to the Trustee of a Liquidity Facility that is issued by (1) a financial institution with ratings that are equivalent to or higher than the ratings of the provider of the Liquidity Facility being replaced or (2) a financial institution with a long term debt rating of at least A from S&P or Moody's and that supports ratings at least the equivalent of A-1 from S&P and V-MIG1 from Moody's. The form of such Liquidity Facility shall be approved in writing by the Bond Insurer so long as the Bond Insurer

has not denied in writing its obligations under the Policy and is not in default under the Policy. The Liquidity Facility shall satisfy the definition of "Liquidity Facility" herein and shall be, in case of an Alternate Liquidity Facility, the same as the Liquidity Facility it replaces in all respects material to the security for the Series 2002-C Warrants; provided that (i) the expiration date of such Liquidity Facility shall be a date not earlier than 364 days from its date of issuance (or the length of the Calculation Period with respect to any Series 2002-C Warrant bearing interest at a Term Rate to which such Liquidity Facility applies, if longer), subject to earlier termination upon the occurrence of (a) a Terminating Event or another event of default under the Liquidity Facility or the related reimbursement agreement or other corresponding agreement pursuant to which such Liquidity Facility is issued, (b) the issuance of an Alternate Liquidity Facility, (c) payment in full of the Outstanding Series 2002-C Warrants which are secured by such Liquidity Facility or (d) a Change in the Interest Rate Mode to an Auction Rate, a Commercial Paper Rate, a Term Rate or a Fixed Rate; and (ii) if, between the effective date of a Liquidity Facility and the effective date of an Alternate Liquidity Facility, there occurs a Change in the Interest Rate Mode with respect to some or all of the Series 2002-C Warrants, such Alternate Liquidity Facility shall comply with the requirements applicable to a Liquidity Facility in effect with respect to the new Interest Rate Mode with respect to the Series 2002-C Warrants so affected. On or prior to the date of the delivery of an Alternate Liquidity Facility or an amendment to a Liquidity Facility (other than an amendment which only extends the expiration date of an existing Liquidity Facility) (a "Liquidity Facility Amendment") to the Trustee, the County shall furnish to the Trustee (a) an opinion of Bond Counsel stating that the delivery of such Alternate Liquidity Facility or Liquidity Facility Amendment to the Trustee is authorized under this Sixth Supplemental Indenture and complies with the terms hereof and (b) written confirmation from S&P, if the Series 2002-C Warrants are then rated by S&P, and from Moody's, if the Series 2002-C Warrants are then rated by Moody's, and from another rating agency, if the Series 2002-C Warrants are then rated by such rating agency, to the effect that such rating agency has reviewed the proposed Alternate Liquidity Facility or Liquidity Facility Amendment and that the substitution of the proposed Alternate Liquidity Facility for the existing Liquidity Facility or the delivery of the Liquidity Facility Amendment will not result in a reduction or withdrawal of its long- or short-term rating of the Series 2002-C Warrants below the rating of S&P or Moody's or such other rating agency, as the case may be, then in effect with respect to the Series 2002-C Warrants.

(b) If the County delivers an Alternate Liquidity Facility in substitution for a Liquidity Facility or a Liquidity Facility Amendment which will result in a reduction in or withdrawal of the short-term or long-term rating (or both) assigned to such Series 2002-C Warrants by Moody's or S&P or such other rating agency as a result of the Alternate Liquidity Facility or Liquidity Facility Amendment, all Series 2002-C Warrants (unless the Series 2002-C Warrants bear interest at an Auction Rate or Fixed Rate) shall be subject to mandatory tender for purchase pursuant to Section 5.4. It shall be a condition to the delivery of such an Alternate Liquidity Facility or Liquidity Facility Amendment that the Opinion of Bond Counsel referred to in the preceding paragraph be obtained. The County shall deliver notice to the Trustee of the substitution of an Alternate Liquidity Facility or the delivery of a Liquidity Facility Amendment which will result in a reduction or withdrawal in the short-term or long-term ratings assigned to the Series 2002-C Warrants pursuant to this Section 6.2 at least 45 days before the date of substitution or amendment.

(c) If the Liquidity Provider of a Liquidity Facility should fail to maintain short-term ratings equivalent to A-1 from S&P and P-1 from Moody's, and such Liquidity Provider is not replaced within 12 months, all Series 2002-C Warrants secured by such Liquidity Facility shall be subject to mandatory tender for purchase pursuant to Section 5.4. The County shall require the Liquidity Provider to promptly notify the Trustee that the short-term ratings of the Liquidity Provider have been reduced below the levels described in the preceding sentence.

(d) In any instance in which the Trustee accepts a new Liquidity Facility, or an amendment to an existing Liquidity Facility, under such circumstances that a mandatory tender of the Series 2002-C Warrants covered or to be covered by such Liquidity Facility is not required, the Trustee shall mail a written notice (including the provider, amount and expected effective date) of such Liquidity Facility (and the related substitution), or such amendment, to the Holders of the affected Series 2002-C Warrants at least 15 days prior to the effective date of such new Liquidity Facility or such amendment.

Section 6.3 Alternate Credit Facility. The County may, at its option and consistent with this section, obtain an Alternate Credit Facility in substitution for or in addition to the initial Policy or other Alternate Credit Facility. On or prior to the date of delivery of such Alternate Credit Facility, the County shall deliver to the Trustee (a) an opinion of Bond Counsel stating that the delivery of such Alternate Credit Facility to the Trustee is authorized under this Sixth Supplemental Indenture and complies with the terms hereof and (b) in the case of a substitution or addition of a Credit Facility, written confirmation from S&P, if the Series 2002-C Warrants are then rated by S&P, and from Moody's, if the Series 2002-C Warrants are then rated by Moody's, and from another rating agency, if the Series 2002-C Warrants are then rated by such rating agency, to the effect that such rating agency has reviewed the proposed Alternate Credit Facility and that the substitution of the proposed Alternate Credit Facility for the existing Credit Facility (or proposed addition of a Credit Facility) will not, by itself, result in a reduction or withdrawal of its long- or short-term rating of the Series 2002-C Warrants below the rating of S&P or Moody's or such other rating agency, as the case may be, then in effect with respect to the Series 2002-C Warrants. If any such substitution or addition occurs, or any Credit Facility is surrendered, cancelled, terminated, amended or modified in any material respect, when there is a Liquidity Facility in effect with respect to the Series 2002-C Warrants or any Bank Warrants are outstanding, or prior to the conversion of the interest rate for all of the Series 2002-C Warrants to the Fixed Rate, the prior written consent of the Liquidity Facility Provider shall be required with respect to the substitution of the Policy or Alternate Credit Facility with such Alternate Credit Facility, or for the addition of a new Credit Facility, or for any such surrender, cancellation, termination, amendment or modification of such Credit Facility. In any instance in which an Alternate Credit Facility is delivered to the Trustee or any Credit Facility is surrendered, cancelled, terminated, amended or modified in any material respect, the Trustee shall mail a written notice of such action to the Holders of the affected Series 2002-C Warrants, with such notice to be mailed (a) at least 15 days prior to the effective date of any such Alternate Credit Facility or (b) as soon as practicable in the case of any surrender, cancellation, termination, amendment or modification in any material respect of any existing Credit Facility.

Section 6.4 Maintenance and Performance of Credit Facilities. The County covenants (i) to maintain at all times a Credit Facility for Series 2002-C Warrants with respect to which a Liquidity Facility is in effect and (ii) to use its best efforts to cause each issuer of a Credit Facility to comply at all times with its obligations thereunder.

ARTICLE VII

APPLICATION OF PROCEEDS

Section 7.1 Proceeds From Sale of Series 2002-C Warrants. The proceeds from the sale of the Series 2002-C Warrants to the original purchaser or purchasers thereof (net of underwriter's discount) shall be applied as follows:

(i) the sum of \$8,277,304.92 shall be paid to the Bond Insurer as the premium for the Policy;

(ii) the sum of \$95,000.00 shall be paid to the Initial Banks as the aggregate commitment fee for the Initial Liquidity Facilities;

(iii) the sum of \$825,919,397.00 shall be paid into the escrow fund established by the County with the Trustee to provide for the payment and redemption of those Parity Securities being refunded; and

(iv) the balance shall be deposited in the Issuance Cost Account.

Section 7.2 Issuance Cost Account. There is hereby created a special account the full name of which shall be the "Series 2002-C Warrants Issuance Cost Account." The Issuance Cost Account shall be maintained as a separate account until the moneys in said account shall have been fully expended as hereinafter provided. The Trustee shall be the depository and disbursing agent for the Issuance Cost Account.

The County will apply the moneys in the Issuance Cost Account solely for payment of the Issuance Costs, as and when such costs become due and payable. The President of the Governing Body or any Authorized County Representative is hereby authorized and directed to cause the said costs to be paid, as promptly as may be feasible following the issuance of the Series 2002-C Warrants, by submitting to the Trustee requisitions signed by any one of said officers directing the payment of the costs specified in said requisition.

In the event the moneys deposited in or transferred to the Issuance Cost Account are not sufficient to pay all Issuance Costs, the President of the Governing Body is hereby authorized and directed to pay, out of any other funds of the County available therefor, the remainder of such costs. If any moneys remain in the Issuance Cost Account after the payment of all costs of issuing the Series

2002-C Warrants, the Trustee shall transfer such moneys to the County upon receipt of a certificate signed by the President of the Governing Body or any Authorized County Representative stating that all expenses of issuing the Series 2002-C Warrants, to the extent known to or anticipated by the County, have been paid in full, in which event the moneys so transferred to the County shall be applied for payment of the costs of capital improvements to the System.

ARTICLE VIII

WARRANT PURCHASE FUND

Section 8.1 Warrant Purchase Fund. (a) There is hereby established a special trust fund which shall be designated the "Jefferson County Sewer System Series 2002-C Warrant Purchase Fund". The Tender Agent shall be the depository, custodian and disbursing agent for the Warrant Purchase Fund. Separate accounts shall be maintained within the Warrant Purchase Fund for each subseries of the Series 2002-C Warrants. So long as separate subseries exist, references in this Article VIII to deposits into and disbursements from the Warrant Purchase Fund shall be deemed to refer to each of the particular subseries accounts and the particular Liquidity Facility, remarketing efforts and Series 2002-C Warrants related thereto.

(b) There shall be deposited in the Warrant Purchase Fund, as and when received:

(1) the proceeds of any remarketing of Series 2002-C Warrants by the Remarketing Agent,

(2) money received by the Tender Agent from the Liquidity Provider pursuant to the Liquidity Facility with respect to the Purchase Price of Series 2002-C Warrants payable on the related purchase date,

(3) all other money required to be deposited in the Warrant Purchase Fund pursuant to this Sixth Supplemental Indenture, and

(4) all other money received by the Tender Agent when accompanied by directions that such money is to be deposited in the Warrant Purchase Fund.

(c) The Tender Agent is hereby authorized and directed to withdraw sufficient money from the Warrant Purchase Fund to pay the Purchase Price of Series 2002-C Warrants due on any purchase date.

(d) Funds for the payment of the Purchase Price of Series 2002-C Warrants shall be derived from the following sources in the order of priority indicated:

(1) **First**, proceeds from the remarketing of Series 2002-C Warrants.

(2) **Second**, money advanced under the Liquidity Facility.

(3) **Third**, any other money on deposit in the Warrant Purchase Fund.

Any money advanced under the Liquidity Facility shall be held in a separate, segregated account in the Warrant Purchase Fund and shall not be commingled with other money in the Warrant Purchase Fund. Such money shall be used only to pay the Purchase Price of Series 2002-C Warrants.

(e) On each purchase date money in the Warrant Purchase Fund from any source other than the Liquidity Facility remaining after payment of the Purchase Price of all Series 2002-C Warrants (or after segregating money for such purpose as provided in Section 8.2) shall be applied by the Tender Agent for the following purposes in the order of priority indicated:

(1) **First**, the Tender Agent shall reimburse the Liquidity Provider, prior to the close of business on such date, for the amount advanced under the Liquidity Facility for payment of the Purchase Price of Series 2002-C Warrants.

(2) **Second**, the balance, if any, shall be paid to the County.

(f) If proceeds from the remarketing of the Series 2002-C Warrants are deposited in the Warrant Purchase Fund after such purchase date, such proceeds shall be applied as provided in subsection (e) of this section.

(g) Any moneys held in the Warrant Purchase Fund may be invested only in Federal Obligations (other than Treasury Receipts) that mature not later than the earlier of (i) thirty (30) days after the date of making such investment or (ii) the date on which such moneys will be needed to pay the Purchase Price of any Series 2002-C Warrants.

Section 8.2 Money for Warrant Purchases to be Held in Trust; Repayment of Unclaimed Money. (a) If money is on deposit in the Warrant Purchase Fund on any purchase date sufficient to pay the Purchase Price of the Series 2002-C Warrants to be paid on such date, but the Holder of any Series 2002-C Warrant fails to deliver such warrant to the Tender Agent for payment of such Purchase Price on such date, the Tender Agent shall segregate and hold in trust for the benefit of the person entitled thereto money sufficient to pay such Purchase Price due and payable on such Series 2002-C Warrant on such purchase date. Money so segregated and held in trust shall not be a part of the Trust Estate and shall not be invested, but shall constitute a separate trust fund for the benefit of the persons entitled to such Purchase Price.

(b) Any money held in trust by the Tender Agent for the payment of the Purchase Price of any Series 2002-C Warrant pursuant to subsection (a) of this section and remaining unclaimed for three years after such Purchase Price has become due and payable shall be paid to the County upon request of an Authorized County Representative; and the Holder of such Series 2002-C Warrant shall thereafter, as an unsecured general creditor, look only to the County for payment thereof, and all

liability of the Tender Agent with respect to such trust money, and all liability of the County with respect thereto, shall thereupon cease; provided, however, that the Tender Agent, before being required to make any such payment to the County, may at the expense of the County cause to be published once, in a newspaper of general circulation in the city where the Office of the Tender Agent is located, notice that such money remains unclaimed and that, after a date specified therein, which shall not be less than 30 days from the date of such publication, any unclaimed balance of such money then remaining will be paid to the County.

ARTICLE IX

PROVISIONS CONCERNING THE POLICY

Section 9.1 Payment Provisions. If, on the third Business Day prior to the related scheduled Interest Payment Date or principal payment date ("Payment Date"), there is not on deposit in the Debt Service Fund, after making all transfers and deposits required under the Indenture, moneys sufficient to pay the principal of, and interest on, Series 2002-C Warrants due on such Payment Date, the Trustee shall give notice to XLCA and to its designated agent (if any) (the "Insurer's Fiscal Agent"), by telephone or telecopy, of the amount of such deficiency by 10:00 a.m., New York City time, on such Business Day. If, on the Business Day prior to the related Payment Date, there is not on deposit with the Trustee moneys sufficient to pay the principal of, and interest on, the Series 2002-C Warrants due on such Payment Date, the Trustee shall make a claim under the Insurance Policy and give notice to XLCA and the Insurer's Fiscal Agent (if any) by telephone of the amount of any deficiency in the amount available to pay principal and interest, and the allocation of such deficiency between the amount required to pay interest on the Series 2002-C Warrants and the amount required to pay principal of the Series 2002-C Warrants, confirming in writing to the related Insurer and the Insurer's Fiscal Agent by 10:00 a.m., New York City time, on such Business Day, by delivering the Notice of Nonpayment and Certificate.

For the purposes of the preceding paragraph, "Notice" means telephonic or telecopied notice, subsequently confirmed in a signed writing, or written notice by registered or certified mail, from the Trustee to XLCA, which notice shall specify (a) the name of the entity making the claim, (b) the policy number, (c) the claimed amount and (d) the date such claimed amount will become Due for Payment. "Nonpayment" means the failure of the County to have provided sufficient funds to the Trustee for payment in full of all principal of, and interest on, the Series 2002-C Warrants that are Due for Payment. "Due for Payment," when referring to the principal of Series 2002-C Warrants, means when the stated maturity date or mandatory redemption date for the application of a required sinking fund installment has been reached and does not refer to any earlier date on which payment is due by reason of call for redemption (other than by application of required sinking fund installments), acceleration or other advancement of maturity, unless XLCA shall elect, in its sole discretion, to pay such principal due upon such acceleration; and, when referring to interest on Series 2002-C Warrants, means when the stated date for payment of interest has been reached. "Certificate"

means a certificate in form and substance satisfactory to XLCA as to the Trustee's right to receive payment under Insurance Policy.

The Trustee shall designate any portion of payment of principal of Series 2002-C Warrants paid by XLCA at maturity on its books as a reduction in the principal amount of Series 2002-C Warrants registered to the then current Warrantholder, whether DTC or its nominee or otherwise, and shall issue a replacement Series 2002-C Warrant to XLCA, registered in the name of XLCA, in a principal amount equal to the amount of principal so paid (without regard to Authorized Denominations); provided that the Trustee's failure to so designate any payment or issue any replacement Series 2002-C Warrant shall have no effect on the amount of principal or interest payable by the County on any Series 2002-C Warrant or the subrogation rights of XLCA.

The Trustee shall keep a complete and accurate record of all funds deposited by XLCA into the Policy Payments Account (as hereinafter defined) and the allocation of such funds to payment of interest on and principal paid with respect to any Series 2002-C Warrant. XLCA shall have the right to inspect such records at reasonable times upon reasonable notice to the Trustee.

Upon payment of a claim under the Insurance Policy, the Trustee shall establish a separate special purpose trust account for the benefit of holders of Series 2002-C Warrant referred to herein as the "Policy Payments Account" and over which the Trustee shall have exclusive control and sole right of withdrawal. The Trustee shall receive any amount paid under Insurance Policy in trust on behalf of holders of Series 2002-C Warrants and shall deposit any such amount in the Policy Payments Account and distribute such amount only for purposes of making the payments for which a claim was made. Such amounts shall be disbursed by the Trustee to holders of Series 2002-C Warrants in the same manner as principal and interest payments are to be made with respect to the Series 2002-C Warrants under the sections hereof regarding payment of Series 2002-C Warrants. It shall not be necessary for such payments to be made by checks or wire transfers separate from the check or wire transfer used to pay debt service with other funds available to make such payments.

Funds held in the Policy Payments Account shall not be invested by the Trustee and may not be applied to satisfy any costs, expenses or liabilities of the Trustee.

Any funds remaining in the Policy Payments Account following a Series 2002-C Warrant payment date shall promptly be remitted to XLCA.

Section 9.2 Miscellaneous Special Provisions Respecting XLCA. (a) XLCA shall receive immediate notice of any default in payment of principal of or interest on the Series 2002-C Warrants and notice of any other Event of Default known to the Trustee within 30 days of the Trustee's knowledge thereof.

(b) For all purposes of Article XIII of the Original Indenture, except the giving of notice of default to Holders of Series 2002-C Warrants, XLCA shall be deemed to be the sole holder of the

Series 2002-C Warrants it has insured for so long as it has not failed to comply with its payment obligations under the Policy.

(c) XLCA shall be treated as a party in interest and as a party entitled to (i) notify the Trustee of the occurrence of an Event of Default and (ii) request the Trustee to intervene in judicial proceedings that affect the Series 2002-C Warrants or the security therefor.

(d) Any amendment or supplement to the Indenture shall be subject to the prior written consent of XLCA. XLCA shall be deemed to be the holder of all outstanding Series 2002-C Warrants for the purpose of consenting to any proposed amendment or supplement to the Indenture (except for any such amendment or supplement that, under the provisions of the Indenture, requires the consent of the Holder of each outstanding Series 2002-C Warrant).

(e) Any notices to XLCA pursuant to the Indenture shall be sent to the following address (unless and until a different address is specified in writing to the County and the Trustee):

XL Capital Assurance, Inc.
250 Park Avenue, 19th Floor
New York, New York 10177

ARTICLE X

MISCELLANEOUS

Section 10.1 Confirmation of Indenture. All the terms, covenants and conditions of the Indenture are hereby in all things confirmed, and they shall remain in full force and effect. Further, the County does hereby confirm the pledge made in the Indenture with respect to the revenues derived from all properties now or hereafter constituting a part of the System, including specifically, without limiting the generality of the foregoing, all properties acquired as a part of the System since the execution and delivery of the Original Indenture

Section 10.2 Debt Service Fund Deposits Referable to Series 2002-C Warrants. In order to provide funds for the payment of the principal of and the interest on the Series 2002-C Warrants, there shall be transferred or paid into the Debt Service Fund, out of moneys held in the Revenue Account, the following amounts at the following times:

(1) on or before each Interest Payment Date with respect to the Series 2002-C Warrants, an amount equal to the interest becoming due with respect to the then outstanding Series 2002-C Warrants on such Interest Payment Date; and

(2) on or before February 1, 2007, and on or before each February 1 thereafter until and including February 1, 2040, an amount equal to the principal amount of Series 2002-C Warrants maturing or subject to mandatory redemption on each such date.

The Debt Service Fund deposits required by this Section 10.2 shall be in addition to the deposits respecting the Outstanding Parity Securities required by the Original Indenture and by the First, Second, Third, Fourth, Fifth and Sixth Supplemental Indentures.

Section 10.3 Book-Entry Procedures Applicable to Series 2002-C Warrants. (a) Except as provided in Section 10.3(c) hereof, the registered owner of all of the Series 2002-C Warrants shall be The Depository Trust Company ("DTC") and the Series 2002-C Warrants shall be registered in the name of Cede & Co., as nominee of DTC. Payment of interest for any Series 2002-C Warrant registered as of a Record Date in the name of Cede & Co. shall be made by wire transfer to the account of Cede & Co. on the Interest Payment Date at the address indicated on the Record Date for Cede & Co. in the registry books of the County kept by the Trustee.

(b) The Series 2002-C Warrants shall be initially issued in the form of a single authenticated fully registered warrant for each separate subseries, each with a stated maturity of February 1, 2040. Upon initial issuance, the ownership of such Series 2002-C Warrant shall be registered in the registry book of the County kept by the Trustee in the name of Cede & Co., as nominee of DTC. The Trustee and the County may treat DTC (or its nominee) as the sole and exclusive owner of the Series 2002-C Warrants registered in its name for the purposes of payment of the principal or redemption price of or interest on such Series 2002-C Warrants, selecting such Series 2002-C Warrants or portions thereof to be redeemed, giving any notice permitted or required to be given to Holders of Series 2002-C Warrants under the Indenture, registering the transfer of Series 2002-C Warrants, obtaining any consent or other action to be taken by Holders of Series 2002-C Warrants and for all other purposes whatsoever; and neither the Trustee nor the County shall be affected by any notice to the contrary. Neither the Trustee nor the County shall have any responsibility or obligation to any DTC participant, any Person claiming a beneficial ownership interest in the Series 2002-C Warrants under or through DTC or any DTC participant, or any other Person which is not shown on the registration books of the County kept by the Trustee as being a Holder of Series 2002-C Warrants. The County and the Trustee shall have no responsibility with respect to the accuracy of any records maintained by DTC, Cede & Co. or any DTC participant with respect to any ownership interest in the Series 2002-C Warrants; the payment by DTC or any DTC participant to any beneficial owner of any amount in respect of the principal or redemption price of or interest on the Series 2002-C Warrants; the delivery to any DTC participant or any beneficial owner of any notice which is permitted or required to be given to Holders of the Series 2002-C Warrants under the Indenture; the selection by DTC or any DTC participant of any Person to receive payment in the event of a partial redemption of the Series 2002-C Warrants; or the authority for any consent given or other action taken by DTC as the Holder of Series 2002-C Warrants. The Trustee shall pay all principal of and premium, if any, and interest on the Series 2002-C Warrants only to Cede & Co., as nominee of DTC, and all such payments shall be valid and effective to fully satisfy and discharge the County's

obligations with respect to the principal of and premium, if any, and interest on such Series 2002-C Warrants to the extent of the sum or sums so paid. Upon delivery by DTC to the Trustee of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co. and direction to effect such change on the registry books maintained by the Trustee, the term "Cede & Co." in this Indenture shall refer to such new nominee of DTC.

(c) In the event the County determines that it is in the best interest of the beneficial owners of the Series 2002-C Warrants that they be able to obtain warrant certificates, the County may notify DTC and the Trustee of the availability through DTC of warrant certificates. In such event, the Trustee shall issue, transfer and exchange warrant certificates as requested by DTC and any other Holders of Series 2002-C Warrants in appropriate amounts. DTC may determine to discontinue providing its services with respect to the Series 2002-C Warrants at any time by giving notice to the County and the Trustee and discharging its responsibilities with respect thereto under applicable law. Under such circumstances (if there is no successor securities depository), the County and Trustee shall be obligated to deliver warrant certificates as described in the Indenture. In the event warrant certificates are issued to Holders of the Series 2002-C Warrants other than DTC, the provisions of Article V of the Original Indenture shall apply to, among other things, the transfer and exchange of such certificates and the method of payment of principal of and interest on such certificates. Whenever DTC requests the County and the Trustee to do so, the County and the Trustee will cooperate with DTC in taking appropriate action after reasonable notice (i) to make available one or more separate certificates evidencing the Series 2002-C Warrants to any DTC participant having Series 2002-C Warrants credited to its DTC account or (ii) to arrange for another securities depository to maintain custody of certificates evidencing the Series 2002-C Warrants.

(d) Notwithstanding any other provision of the Indenture to the contrary, so long as any Series 2002-C Warrant is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to the principal of and premium, if any, and interest on such Series 2002-C Warrant and all notices with respect to such Series 2002-C Warrant shall be made and given to DTC as provided in the Representation Letter to be signed by the County and the Trustee on or prior to the date of issuance and delivery of the Series 2002-C Warrants and accepted by DTC. Without limitation of the foregoing, so long as any Series 2002-C Warrant is registered in the name of Cede & Co., as nominee of DTC, the Trustee shall send a copy of any notice of redemption by overnight delivery not less than thirty (30) days before the redemption date to DTC, but such mailing shall not be a condition precedent to such redemption and failure to so mail any such notice (or failure of DTC to advise any DTC participant, or any DTC participant to notify the beneficial owner, of any such notice or its content or effect) shall not affect the validity of the proceedings for the redemption of the Series 2002-C Warrants.

(e) In connection with any notice or other communication to be provided to Holders of the Series 2002-C Warrants pursuant to the Indenture by the County or the Trustee with respect to any consent or other action to be taken by Holders of the Series 2002-C Warrants, so long as any Series 2002-C Warrant is registered in the name of Cede & Co., as nominee of DTC, the County or the Trustee, as the case may be, shall establish a record date for such consent or other action and give
